PATLITE (CHINA) Corporation
Room706-707, Baohua International Plaza,Lane.555,
Guangzhong Road(West), Jingan District, Shanghai, China
Tel: +86(0)21 66308959 Fax: +86(0)21 66308938

PART NO.

MAL-DC1080VJK-B
MAL-DC1080VJK-R

Specification:

Voltage:	DC 10-80V
Power:	B: 21.6W-25.6W
	R: 21.8W-28W
Material:	Lens: PC
	Inner lens: PC
	Housing: ADC12
Mounting Method:	Bolt installation (M8)
Connection Method:	500mm Cable

Parts Dimension & Installation Notes:

1:Refer to the product dimension on the right. Ensure that there is sufficient installation space for the product before installation.

2:Confirm the bolt specifications and use the appropriate tool before installation.

3:Confirm the wire color and connect the corresponding functions by color before connecting. (as shown below)

Wire color	Function
Red	VCC ⊕
Black	GND ⊖
